

NEW YORK, UNITED STATES OF AMERICA. Dr. Roger SALLA NTOUNGA has been appointed as ARDN Advisor for Africa. In this role, he will assist in the development, implementation and promotion of ARDN programs under the direction of Dr. Djibril Diallo, ARDN President and CEO. His appointment begins on 6 June 2021.

Dr. NTOUNGA has over 30 years of combined experience in public health leadership and programme development, with a particular focus on HIV/AIDS, health systems strengthening, cooperation and community development. He has extensive experience in project management, capacity building, strategic planning and public policy formulation focused on HIV/AIDS disease management in various world regions such as Africa, Europe, etc.

He brings to ARDN his solid expertise in the field of community health and engagement. "ARDN is a public utility organisation. I am very happy to bring my experience of the United Nations system to this organisation whose values are important to me for a more equitable world. » He said.

Mr. NTOUNGA holds a PhD in Medicine from the University of St-Etienne (France) and a Master's degree in Community Health and Health Management Planning from the University of Heidelberg (Germany). He speaks english and french.

Please join us to welcome Dr. Roger SALLA NTOUNGA !

The ARDN is an internationally operating NGO headquartered in New York, with the status of a United States 501(c)(3) public charity. ARDN's mission is to accelerate the attainment of the African renaissance by advocating for and supporting United Nations programs and priorities. To this end, ARDN mobilizes the passion of government, educators, artists, intellectuals, the private sector, civil society and youth, using the power of art, sport and culture as vectors for creating a better world. ARDN serves as the Secretariat for the Global Alliance of Mayors and Leaders from Africa and of African Descent.
